FORUMLADIH@EMINS.ORG

Who are we?

- ▶ Youth Forum was formed 2014 as a part of European Movement in Serbia
- ▶ Now we have 18 members between 17 and 26 years old

What is our goal?

- ▶ Youth Forum aims to strengthen youth activism, participation of youth in decision making process and promote European values and tradition

Why?

- ▶ According to the Index of the rule of human rights Serbia is located on 81st place out of 139
- ▶ According to the National Organization of Youth in Serbia more than 50% of young people want to leave Serbia
- ▶ 12% of young people believe that life is decent in Serbia and the biggest motivation for leaving is not only of an economic nature, but also the lack of an organized system.

How?

- ▶ 8 sub teams
- ▶ **Ecology**
- ▶ **Activism and Mobility**
- ▶ **Culture and Informing**
- ▶ **Education**
- ▶ **Inclusion**
- ▶ **Employment**
- ▶ **Mental Health**
- ▶ **Inclusion**

Activities

- ▶ **Regional Ecological Youth Charter** 1.8.2020.-31.5.2021.
- ▶ To empower students originating from less developed areas, with high greenhouse gas emissions, in the Western Balkans to take a more active role in their local communities in the context of a just transition towards energy production from renewable sources
- ▶ To advocate for a more ambitious program to reduce greenhouse gases and transition to energy production from renewable sources among decision makers in the Western Balkans;
- ▶ To raise the awareness of young people in the Western Balkans about the importance and necessity of switching to energy production from renewable sources, as well as examples of good practice.

Results

- Formation of the Regional Youth Environmental Charter with concrete measures for setting up more ambitious programs to reduce greenhouse gases, as well as their implementation in practice;
- Creation of an online platform to promote the importance of switching to energy production from renewable energy sources and sharing examples of good practice at the local level;
- Increased number of advocacy activities, including the promotion of the Regional Youth Environmental Charter and the online platform at the event in Belgrade.
