Madrid in one minute, join us!

Dear JEFers, dear friends,

Despite the fact that Spain is one of the countries with the **highest Europeanist sentiment**, in the 50-year history of the organisation, an European Youth Event of such relevance and magnitude has **never** been organised in Spain.

The Congress would come to Madrid at an ideal moment of high political and historical symbolism, being framed within the **Spanish Presidency of the Council of the European Union** (July - December 2023), the **40th anniversary** of JEF Spain and JEF Madrid and closing the follow-up events programmed within the **European Year of Youth**.

Joaquim Candel
President Organizing Committee &
International Officer JEF Spain

Jesús Cordero
Conference Manager &
President JEF Spain

For three days, **200 young leaders** across the continent will gather and turn **Madrid into the European capital of youth activism, dialogue and Europeanism.**

We want to transform the standard meeting format, into a truly **transforming momentum for our organization**, meeting point of the European civil society and **kick-start of the preparation for the European elections.**

We also want to **engage policy makers, the media and public administrations** into our debates to ensure a higher influence and impact of our proposals.

Joaquim Candel
President Organizing Committee &
International Officer JEF Spain

Jesús Cordero
Conference Manager &
President JEF Spain

Our team is tirelessly working to showcase during your visit the unique artistic, gastronomic and cultural heritage of Spain, through **two comprehensive pre-programs in Barcelona and Toledo** and a rich variety of social events in Madrid.

JEF Madrid, JEF Spain and the National Organizing Board of this Congress both have a **proven track record in organising the major youth events in the country** and the needed **ambition to thing big** and go one step ahead in this Congress to ensure you all have a memorable and life-changing experience.

We cannot wait to welcome you all to Spain!

The corporate image of the congress is formed by the compositions **EUROPEAN CONGRESS**, with the O formed by the JEF logo; **Madrid 2023** (in reference to the host city of the EUCO) with a gradient of green colors (in reference to JEF) and the yellow and red colors highlighting **Spain**, the country in which the event is being held.

It also accompanies a graphic composition of the **statue of the Bear and the Strawberry Tree** (El Oso y el Madroño), a sculpture in the center of Madrid that has become a representative image of the city.

We count with the full institutional support for such large-scale event in terms of venues, speakers and funding

Y POLÍTICA SOCIAL

La Dirección General de Juventud cuenta entre sus actuaciones con un amplio apoyo a todas aquellas movimientos, entidades y acciones que promueven el impulso y la visibilidad de una juventud activa, comprometida, concienciada, responsable, con nuevas ideas de mejora y cambio que quiere hacer llegar su voz a las instituciones locales, regionales, nacionales y europeas.

Por ello da su apoyo a la celebración de este evento, que supondrá que, durante tres días, más de 500 jóvenes líderes de los 27 países miembros de la Unión Europea convertirán a Madrid en la capital europea de la libertad, del diálogo y el europeísmo, pudiendo asimismo dar a conocer entre los asistentes el inigualable patrimonio artístico, gastronómico y cultural de nuestra Comunidad.
